School Lunches

Just a reminder that if your child has school lunches and is in Year 3, 4 or 5 you must make sure that their dinner money account on ParentPay is kept in credit by at least one week. Please note from 2nd September 2024 the cost of School lunches has increased and is now £2.75 per day, so if your child has school lunches every day their lunch account must be in credit by £13.75. Since becoming part of the Enhance Academy Group on 1st September 2023 school lunch accounts are now managed in house. We currently have a high number of accounts that are more than one week in arrears. If your account is in arrears you will receive weekly reminder emails/texts until it is back in credit. If you are having difficulty with payments please contact the office. Thanks.

NB If your child is in Reception, Year 1 or Year 2 or in receipt of pupil premium their school lunches are free so please do not pay any money on to their lunch account. **Also please remind your child that if they are having a PACKED LUNCH that they select this on the meal selector in school and do not select a meal – as this is causing parents to be charged for meals that their children are not having.**

Thank you.

Snacks at school

Polite reminder that snacks should be brought in a small **named** container, see example below (we do not have space to store large/lunch boxes) These should contain fruit, vegetables or cheese **ONLY**. Yoghurts, breadsticks, crackers, cereal bars or sreen bars are **NOT** allowed. (This is due to children having allergies) **If you send your child to school with grapes, please can you ensure they are cut up, to prevent choking.** Please also remember to send your child with a **named** bottle filled with water. Thank you.

Collecting other children.

Please can we remind all parents that if your child is going to be collected from school by another parent you need to inform the class teacher in the morning or phone or email office2@highburtonfirst.org.uk to let them know during the day. If another parent asks to take your child and you have not told us about this, then we can unfortunately not let your child go without contacting yourself first. If another parent will be collecting your child long-term or you would like to give permission for another parent to take your child, then again please contact the school office via email to give this permission. Thank you.

Polite Reminder

Please can we remind all parents that children should have a bottle of water at school each day with them and a coat suitable for all weathers.

Use of playground equipment before and after school

Since the beginning of term we have again noticed children climbing on the trim trail and climbing frame in the playground before and after school. Please can we remind all parents and carers that due to health and safety, children are not allowed to play on the trim trail or other climbing equipment in our playground either before or after school. Please make sure you keep an eye on your children so they are unable to do this. This includes the trees in our grounds. Please can we ask that children and their siblings do not play with or move the activities that are set out in the Reception playground, Mrs Senior and Mrs Haigh spend a lot of time planning and setting activities out for the children, so we ask if you can encourage your children not to move things and mess with them. Thank you.

Parking on Northfield Lane and around school

Please do not park on Northfield Lane, especially at the junction. Not only does it contravene the Highway Code which states – do not stop or park opposite or within 10 metres of a junction. It is dangerous and puts our children's lives at risk. As we have stated many times before – **Northfield Lane is a private lane and parents and carers do not have right of access so please do not park on Northfield Lane.**

Polite reminder that the car park at school is for **STAFF ONLY**. (unless arranged with school)

Our school gates are now closed at drop off and pick up (due to the number of children and parents using the car park to park in, or as a short cut on foot), there have been instances where a car/van or cars have parked further on the lane next to the gate that goes across to our field. **Again – it is a private lane** and you are actually blocking a driveway by parking there! There are also cars regularly parked on the lane directly opposite our school gates to drop off and pick up. We are aware that the majority of our parents and carers either walk to school or park sensibly. However, there are a small number of parents who think it is ok to park anywhere whether that be half on a pavement or even totally on the pavement, across a driveway, on a junction, on a bend, in a bus stop, across the zigzag lines, on the grass verge, or literally in some cases in the middle of the lane! If you are one of these parents or carers please ask yourself - Would I park anywhere else like I do at school? We have no doubt the answer would be 'No!' In which case DO NOT PARK like that at school either!

Another reminder about hair!

Please make sure your child has their hair fully tied back for school every day. It must be tied back if it is long enough to do so. If your child (boys and girls) comes to school with their hair down it is really difficult for them to pay attention or concentrate when they are having to constantly flick their hair out of their eyes.

Children will be given a bobble to tie their hair back if it is getting in the way of their learning although we do not have a never-ending supply of bobbles and are giving out 5 or 6 bobbles every day. Having hair tied back also reduces the likelihood of head lice in school.

Even the football players wear their hair tied back/in a headband so it doesn't get in the way of their game.

Best wishes

Graham Booth (Head of School)

Tom Burns (Executive Head)
