Thursday 20<sup>th</sup> March 2025

Dear Parents/Carers

We are excited to announce that we will be moving our payment and communication system to Arbor on Monday 31<sup>st</sup> March 2025.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data, payment and workflows into one system.

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below.

[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

We will send further communication on the parental app and how to register on Monday 24<sup>th</sup> March, please look out for this information and register your child when prompted. Please note, this email may go in to your junk folder.

We hope you are looking forward to using this new feature as much as we are!

Due to this move, we ask that all children's dinner money accounts, on ParentPay, are paid up until and including, Monday 31<sup>st</sup> March. This means that your account should be in credit by £22.00, from today. (If your child has school dinners every day.)

Any trips where monies are due before Monday 31<sup>st</sup> March, please ensure these are paid as soon as possible. Any trips where monies are due after Monday 31<sup>st</sup> March, these will be available to pay on Arbor on Tuesday 1<sup>st</sup> April 2025.

If you have any queries please contact Miss Grist in the school office.

## A Huge Thank You to the Lloyds Bank Volunteers!

We would like to extend a heartfelt thank you to the incredible team from Lloyds Bank who volunteered their time on Thursday to transform our outdoor spaces. Their hard work and dedication have made a real difference to our school environment.

One part of the team took on the challenge of clearing out the Pond area, creating a wonderful space for the children to explore and enjoy nature. During the cleanup, we even discovered some newts, which absolutely fascinated the children! This revitalised area will provide fantastic opportunities for outdoor learning and wildlife observation.

Meanwhile, another group worked tirelessly to refresh and repaint the Reception railings. Their efforts have made a huge impact, and the railings now look bright, fresh, and welcoming.

We are so grateful for the time, effort, and enthusiasm shown by the Lloyds Bank team—it truly makes a difference to our school community. Thank you!

## Eggs-traordinary Creations on Display!

The Easter Egg Display Competition was an **egg-stra special** event this year, with an incredible array of decorated eggs rolling into school! From dazzling designs to hilarious egg-themed puns, the creativity on show was nothing short of **egg-ceptional**.

The children (and let's be honest, some very dedicated grown-ups) went all out, transforming humble eggs into everything from superheroes to storybook characters and even full-blown miniature scenes! There were eggs with hats, eggs with wigs, and eggs that really should have had their own art exhibition.

Picking winners was no easy task, as each and every entry was truly **egg-cellent** (sorry, we had to!). But the real prize was the joy and pride on the children's faces as they admired the display.

A huge **thank you** to all the parents who helped make this such a fantastic event. Your imagination, patience, and ability to glue tiny objects onto eggs without cracking them are truly commendable!

Same time next year? Better start thinking of your **egg-ceptional** ideas now!

## Easter Bonnets Galore!

The Easter Bonnet Parade was back with a bang (and a bit of glue and glitter)! The children—and quite a few enthusiastic adults—donned their finest, most imaginative headwear and proudly paraded around the hall, showing off their marvellous creations.

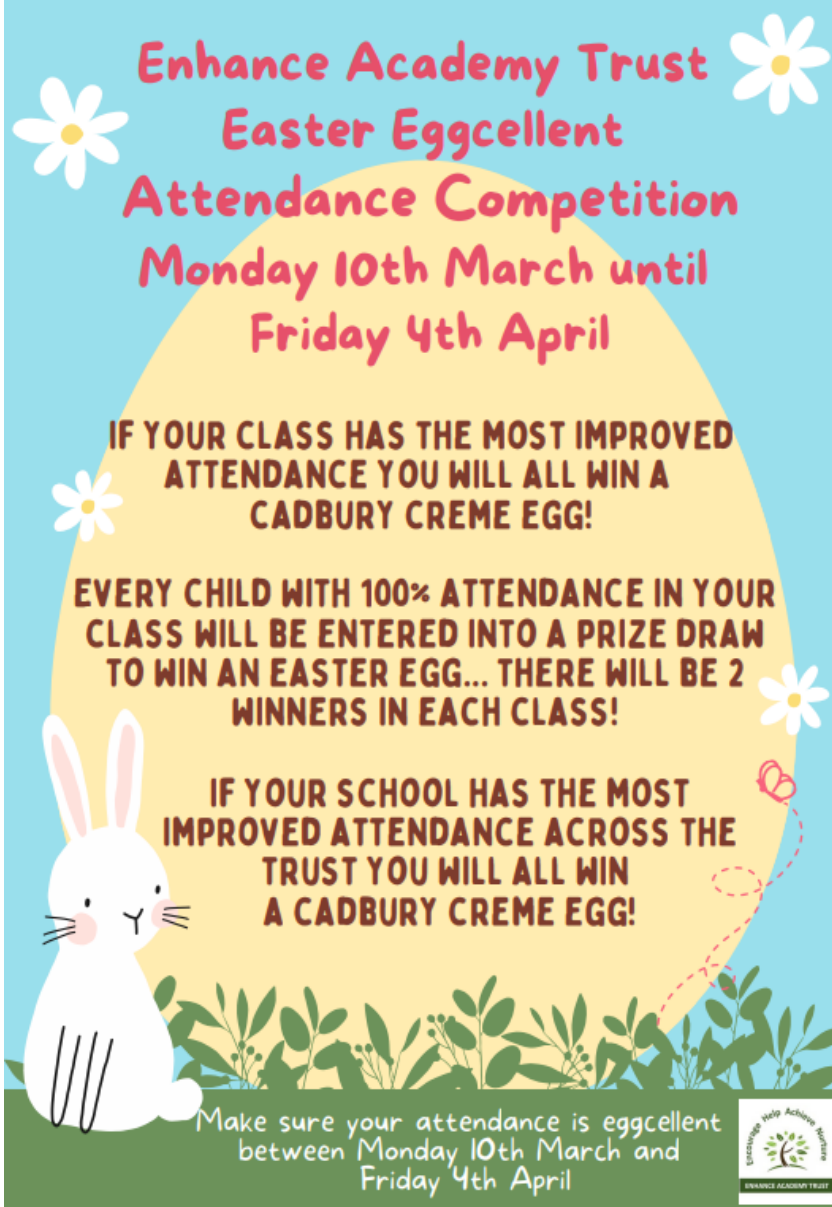

Smiles may have been in short supply (perhaps some bonnets were a little too snug?), but the hats were nothing short of spectacular! We had everything from towering masterpieces of fluffy chicks and bunnies to beautifully decorated springtime sensations. Some bonnets defied gravity, some defied explanation, but all of them were a triumph of creativity!

A huge thank you to all the parents of Reception and Key Stage One for your hard work, patience, and ability to wrangle cotton wool and pipe cleaners into such fabulous designs. It was another wonderful event, filled with fun, laughter, and a whole lot of proud bonnet-wearing children!

Here's to next year—start collecting those Easter decorations now

# School Lunches

Just a reminder that if your child has school lunches and is in Year 3, 4 or 5 you must make sure that their dinner money account on ParentPay is kept in credit by at least one week. Please note from 2<sup>nd</sup> September 2024 the cost of School lunches has increased and is now £2.75 per day, so if your child has school lunches every day their lunch account must be in credit by £13.75. Since becoming part of the Enhance Academy Group on 1<sup>st</sup> September 2023 school lunch accounts are now managed in house. We currently have a high number of accounts that are more than one week in arrears. If your account is in arrears you will receive weekly reminder emails/texts until it is back in credit. If you are having difficulty with payments please contact the office. Thanks.

**NB** If your child is in Reception, Year 1 or Year 2 or in receipt of pupil premium their school lunches are free so please do not pay any money on to their lunch account. **Also, please remind your child that if they are having a PACKED LUNCH that they select this on the meal selector in school and do not select a meal – as this is causing parents to be charged for meals that their children are not having.**

Thank you.

### **Collecting other children.**

Please can we remind all parents that if your child is going to be collected from school by another parent you need to inform the class teacher in the morning or phone or email [office2@highburtonfirst.org.uk](mailto:office2@highburtonfirst.org.uk) to let them know during the day. If another parent asks to take your child and you have not told us about this, then we can unfortunately not let your child go without contacting yourself first. If another parent will be collecting your child long-term or you would like to give permission for another parent to take your child, then again please contact the school office via email to give this permission. Thank you.

### **Polite Reminder From Mr Booth**

Please can we remind all parents that children should be walked all the way to their classroom doors on a morning and not just let out of cars at the junction of Northfield Lane and Moor Lane. If you are running late, please park your car up on Moor Lane, not Northfield Lane or the school Car Park.

Parents should also not be using the playgroup car park for parking, dropping off and collecting children.

Thank you.

### **Use of playground equipment before and after school**

Since the beginning of term, we have again noticed children climbing on the trim trail and climbing frame in the playground before and after school. Please can we remind all parents and carers that due to health and safety, children are not allowed to play on the trim trail or other climbing equipment in our playground either before or after school. Please make sure you keep an eye on your children so they are unable to do this. This includes the trees in our grounds. Please can we ask that children and their siblings do not play with or move the activities that are set out in the Reception playground, Mrs Senior and Mrs Haigh spend a lot of time planning and setting activities out for the children, so we ask if you can encourage your children not to move things and mess with them. Thank you.

### Parking on Northfield Lane and around school

Please do not park on Northfield Lane, especially at the junction. Not only does it contravene the Highway Code which states – do not stop or park opposite or within 10 metres of a junction. It is dangerous and puts our children's lives at risk. As we have stated many times before – **Northfield Lane is a private lane and parents and carers do not have right of access so please do not park on Northfield Lane.**

Polite reminder that the car park at school is for **STAFF ONLY**. (unless arranged with school)

Our school gates are now closed at drop off and pick up (due to the number of children and parents using the car park to park in, or as a short cut on foot), there have been instances where a car/van or cars have parked further on the lane next to the gate that goes across to our field. **Again – it is a private lane** and you are actually blocking a driveway by parking there! There are also cars regularly parked on the lane directly opposite our school gates to drop off and pick up. We are aware that the majority of our parents and carers either walk to school or park sensibly. However, there are a small number of parents who think it is ok to park anywhere whether that be half on a pavement or even totally on the pavement, across a driveway, on a junction, on a bend, in a bus stop, across the zigzag lines, on the grass verge, or literally in some cases in the middle of the lane! If you are one of these parents or carers please ask yourself - Would I park anywhere else like I do at school? We have no doubt the answer would be 'No!' In which case DO NOT PARK like that at school either!

### Another reminder about hair!

Please make sure your child has their hair fully tied back for school every day. It must be tied back if it is long enough to do so. If your child (boys and girls) comes to school with their hair down it is really difficult for them to pay attention or concentrate when they are having to constantly flick their hair out of their eyes.

Children will be given a bobble to tie their hair back if it is getting in the way of their learning although we do not have a never-ending supply of bobbles and are giving out 5 or 6 bobbles every day. Having hair tied back also reduces the likelihood of head lice in school.

Even the football players wear their hair tied back/in a headband so it doesn't get in the way of their game.

Best wishes

Graham Booth (Head of School)

Tom Burns (Executive Head)
